

Mt. Pulaski Community Unit District #23 Board of Education
Building and Grounds Committee Meeting
Wednesday, December 14, 2016
Mt. Pulaski High School Library

President Doug Martin called the meeting to order on December 14, 2016, at 3:28 P.M. in the Mt. Pulaski High School library. Roll call was taken. Present were John Stewart, Jeff Beccue, and Deanne Mott. Also present were Superintendent Hamm, Principal Terry Morgan, Mindy Gross, Gayle Clark, Denise Farnam, Melanie Hinson, and Brent Grisham.

Kevin Handy presented a drawing of a new building to replace the old high school addition. The plan showed a new lobby with offices on either side of it. A new gymnasium, locker room, weight room, and storage for equipment would be added on the east side of the existing gym. There is also plan for a new teacher's lounge/workroom, faculty restrooms, and more classrooms on the second floor. Another option talked about was moving the Ag and Industrial Arts to a building by themselves. Mr. Handy suggested we keep in mind that if we ever wanted to move to a one campus school we need to utilize our space accordingly.

The Building and Grounds Committee will meet again next month.

Motion by Jeff Beccue, second by John Stewart, to adjourn at 4:45 P.M. Voice vote. All ayes. Motion carried.
